SCHOLARSHIP INFORMATION:

The Greater St Louis Mothers of Twins Club Inc presents two (2) Continuing Education Awards annually in memory of Mary Joan Wolf – one of our founding members. The awards are presented to multiple birth children who are graduating from high school the year of the award to fund their continuing education either in college, junior college, or professional trade schools. Applicants must complete and sign the application and return to the Scholarship Chair. To be considered for the award, the Scholarship Chair must also receive copies of birth certificates to show the multiple birth, an official transcript and a list of current courses being taken from the applicant's school, two letters of recommendation for the applicant from individuals who are not related to the applicant, and an essay of no more than 300 words written by the applicant on the topic shown on the application information. If the applicant is judged to be one of the recipients of the award and then does not graduate and/or does not continue their education, the award is forfeited. The awards are judged individually and both/all multiples do not have to submit applications. Greater St. Louis MOTC determines the amount of the award annually. The check is made payable to the recipient and the school to be used however the recipient determines for school expenses after the recipient produces evidence of attendance/registration. One-half of the award is issued for the first semester and upon submitting evidence of attendance/registration for the second semester, the second half is issued.
