--For Graduating High School Seniors Only--

OFFICIAL SCHOLARSHIP INFORMATION:

The Greater St Louis Mothers of Twins Club Inc is presenting four (4) Continuing Education Awards in memory of Mary Joan Wolf and Betty Radetic – two of our past members. The awards are presented to multiple birth children who are graduating from high school the year of the award to fund their continuing education either in college, junior college, or professional trade schools.

Applicants must complete and sign the application and return to the Scholarship Chair by February 23, 2024. To be considered for the award, the Scholarship Chair must also receive copies of birth certificates to show the multiple birth, an official transcript, two letters of recommendation for the applicant from individuals who are not related to the applicant, and an essay of no more than 300 words written by the applicant on the topic, *“Advice I would give to a new parent of multiples.”*

If the applicant is judged to be one of the recipients of the award and then does not graduate and/or does not continue their education, the award is forfeited. Each application is judged individually. Both/all multiples do not have to submit applications and are not guaranteed to win the same award.

The Greater St. Louis Mother of Twins Club Inc determines the amount of the award annually. The award for 2023/2024 will be two payments of \$500 each upon proof of enrollment for fall and spring classes at a verified college, junior college, or professional trade school. The check is made payable to the recipient to be used however the recipient determines for school expenses.
