

#### A Note To Our Friends,

The Greater St Louis Mothers of Twins Club has received inquiries this week to ask if we would still be having our Spring consignment sale in April. We have waited to make our decision while we tracked the situation in the St. Louis area. However, St. Louis County now prohibits events of more than 50 people for the following eight weeks. While they may reevaluate this ban over the following months, we have chosen to accept their guidance and proactively cancel our sale. The health and safety of our guests is our top priority. We feel this decision is necessary and in the best interest of our members, shoppers, and volunteers.

We hope you will come shop with us again this Fall on September 12th, 2020. We will be moving our sale to Our Savior Lutheran Church in Fenton (next door to the Meramec Valley Branch of the St. Louis County Library) and would love to have your support.

We wish you health and happiness during this time. If you have any questions about this, please feel free to reach out to [exchange@stlmotc.org](mailto:exchange@stlmotc.org).

Take Care,  
GSTLMOTC Exchange Team
